AirUCI Summer Teacher Workshop

AirUCI's fifth annual Teacher Workshop will be held at UCI from June 22-July 2, 2009. Classes will be held each day from 9 am – 4 pm. For details, contact Professor Sergey Nizkorodov at 949-824-1262 (nizkorod@uci.edu) or Melissa Sweet at 949-824-2628 (msweet@uci.edu).

This is an intensive Environmental Chemistry program geared for science teachers in grades 8-12. The course includes morning lectures presented by leading researchers in the field of Atmospheric Chemistry and afternoon environmental analysis projects in our labs.

Attending teachers receive:

- A $1000 stipend
- University credit through UCI Extension (6 quarter units)
- Textbook
- Class materials, in print and CD format
- Lunch each day
- Free parking
- Pairing with an AirUCI researcher for the school year

We are now accepting applications to enroll in our next 2007 Summer Teacher Workshop.

To register: (Registration deadline is June 1, 2007)

1. Print the attached enrollment form.
2. Fill out the form completely (and legibly, please!)
3. Fax it to 949-824-2420 OR
4. Send it by post to:
   
   Melissa Sweet
   UCI Chemistry Dept
   Irvine, CA  92697-2025
   Phone: 949-824-2628   Fax: 949-824-2420
   msweet@uci.edu

Please be sure to provide both home and school contact information, including telephone numbers where you can be reached during the summer school break.

For details, visit us at www.chem.uci.edu/airuci/events.htm.

Registration deadline for the 2009 class is June 1, 2009. Class size is limited to 20 teachers and enrollment is on a first come, first served basis. We will maintain a waiting list for this class, and any late registrants will be placed on the waiting list for the 2010 Summer Teacher Workshop. We hope you can join us!
