

Driving directions to the Nizkorodov lab at UCI

Study the [campus maps](http://www.uci.edu/visit/maps/) (<http://www.uci.edu/visit/maps/>) to find the easiest way to get to the campus. A relevant segment of the main campus map is reproduced below:

Drive to one of the following parking lots:

- *Option 1:* enter **lot 12B** from East Peltason Drive and park by the parking permit vending machine, which is labeled on the map by a black star. Buy a parking permit in the vending machine and park your car in any place labeled “visitor”.
- *Option 2:* enter **lot 16** from Bison, and by a parking permit. The vending machine is labeled by a star. You may park your car in any UNLABELLED spot.
- Do not put your car in spots labeled “AR permit”, “X-permit”, “Residents only”, etc.

Come to Rowland Hall (**building 400** on the UCI map), which is within a short walk from the parking lots. Take the elevator in the lobby of Rowland Hall to the third floor. Turn right upon exiting the elevator and then left. At the end of the corridor you will find rooms 377 and 385. If there is no one there try room 317A, the office of Dr. Patricia Terrell, the administrative assistant. Call one of these numbers if you get lost.
